

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. NAVY REGISTER

OF THE

UNITED  STATES,

FOR THE YEAR

1867.

PRINTED BY ORDER OF THE SECRETARY OF THE NAVY, IN COMPLIANCE
WITH AN ACT OF CONGRESS, BY THE SENATE OF THE UNITED
STATES, ON OCTOBER 12, 1866.

WASHINGTON:
GOVERNMENT PRINTING OFFICE.
1867

NOTES —“The residence of an officer is within the State or Territory which he habitually makes his home when off duty, and the appropriate column in the *Navy Register* will designate whatever State or Territory officers may select as their residence.”—*Regulation Circular No. 2, paragraph 17.*

Officers whose official residence is not correctly given in this *Register* will immediately notify the Department.

Errors or omissions, if any, as to names, original entry in the service, dates of commission, warrant, or appointment, State where born, State from which appointed, State of which a resident, will be immediately reported to the Department by the officers concerned.

NOTE.—All officers, while at sea or attached to a sea-going vessel, shall be allowed one ration.

The pay of all naval officers appointed by virtue of an act entitled "An act to provide for the temporary increase of the navy," approved July 24, 1861, shall be the same as that of officers of a like grade in the regular navy.—(See act of July 16, 1862.)

SEC. 2. That the rate of pay of officers of the navy on the retired list, and not on duty, nor retired on furlough pay, in cases where such rate of pay has not heretofore been fixed by law, shall be one-half of the pay to which such officers would be entitled if on duty at sea. And the pay of clerks of navy-yards, of clerks to commandants of navy-yards, and of clerks to naval storekeepers, is hereby increased twenty-five per cent. upon their present salaries from the commencement of the present fiscal year.—(Act of July 28, 1866.)
